Clinical Laboratory Advisory Services Leadership

Paul Spivey, MT (ASCP)

Sr Clinical Laboratory Consultant

Paul Spivey is a seasoned laboratory leader experienced within hospital laboratories, system laboratories, and laboratory cooperatives. He has a track record of success in staff development, cost containment, client relations, and business expansion.

Paul has served as interim long term and short-term laboratory directorship coverage; operational review and improvement for clinical laboratories; strategic assessment and restructuring planning; optimizing services; and developing laboratory leadership in a wide variety of hospitals settings.

Steve Howerton, MT (ASCP), MPA

Sr Clinical Laboratory Consultant

Steve Howerton is a seasoned laboratory executive with extensive experience as a system level laboratory leader. He is knowledgeable in all operational aspects of the clinical laboratory including inspection readiness, evaluating and acquiring new instrumentation, installing new or updating existing LIS system, coaching and developing staff, creatively finding improvements to workflow and developing financially sustainable services.

He has over 30 years' experience in laboratory medicine and is certified by the American Society of Clinical Pathologists as a Medical Technologist and has a master's degree in public health administration.

Warren Erickson, MLS, (ASCP)

Sr Clinical Laboratory Consultant

Warren Erickson is an experienced and proven leader in all aspects of laboratory operations, physician office laboratories, point of care, critical access, and tertiary laboratories.

His expertise includes regulatory compliance including CLIA, COLA, and CAP; financial, personnel, and contract management; healthcare laboratory system standardization and laboratory testing cost analysis to maximize reimbursement.

Warren also provides laboratory consultation and mentoring to up-and-coming laboratory professionals.
