DCCS Approach

The DCCS team of physician, nursing, care managers and operation executives can identify the barriers to rapid patient placement from the emergency department and provide innovative solutions to prompt patient status assignment and placement.

A DCCS engagement results in results in:

- reduced decision-to-departure time
- Increased nursing and physician productivity
- Rapid patient throughput
- Decreased left without being seen
- Increased patient satisfaction

DCCS engagements reduce cycle times, enhance the patient experience & improves financial performance.
