DCCS KVL R Capital Partnership

Integrated operations, finance, and capital management advisory services.

"DCCS' deep knowledge in healthcare operations, coupled with KVL R Capital's financial resources, will deliver optimized solutions for our clients who have a capital investment need."

David Capone, DCCS President

"We are excited to join forces with DCCS Consulting. This partnership significantly expands KVL R Capital's capabilities to address unique healthcare operational challenges and achieve maximum success."

David Krainert CEO | Chair KVL R Capital.

Leading Healthcare Transformation

DCCS Consulting

DCCS is a national full-service healthcare consulting company focused on providing financial, operational, business development, and strategic advisory services.

We provide health systems with comprehensive support to improve the quality of care and patient/staff satisfaction while strengthening the bottom line.

Our leaders are dedicated to facilitating and deploying customized strategies to overcome complex challenges and achieve ongoing success.

KVLR Capital

KVLR Capital provides world-class nonclinical support in operations, P&L optimization, M&A, technology improvements, and forming joint ventures.

Our mission is to enhance synergies and add value to management teams. With trusted physician executives and finance experts as part of our team, we consider ourselves the few in healthcare private equity who serve as advocates at the enterprise level.

Comprehensive Solutions for Greater Impact

Clinical & Operational Excellence:

Improve patient care, optimize workflows, and enhance operational efficiency.

Financial Turnaround & Advisory:

Strengthen financial health with comprehensive reviews and strategic financial planning.

Recruitment & Talent Management:

Attract and retain top talent with innovative staffing models and executive search services.

Strategic Planning & Performance

Improvement: Drive productivity enhancements and performance improvements across your organization.

Our strategic partnership offers integrated and seamless operations, finance, and capital management advisory services.

DCCS Consulting has been at the forefront of healthcare consultancy for over a decade focusing on delivering transformative and sustainable solutions for healthcare organizations. DCCS offers companies nationwide full-service advisory solutions. The company has advised over 100 privately held healthcare companies and governmental agencies since 2010.

“The DCCS Engagement was a success that came during an important time in the Hospital’s history.”

Health System President & CEO

KVLR Capital strategically aligns exceptional talent and adaptable capital to support management in achieving exponential growth and redefining care delivery, technology, finance, and other asset classes. KVLR introduces innovative solutions that build resilient teams and address the unique challenges healthcare providers encounter while driving healthcare transformation.

Collectively, KVLR Capital Directors have completed transactions valued at \$5 billion.
